CUTTING INSTRUCTIONS:

M645 Turquoise (allover dolls): Cut (1) 10-1/2" x WOF (width of fabric) strip.

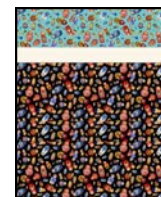

644 Cream (tone-on-tone): Cut (1) 4-1/2" x WOF strip. Cut (1) backing panel 41" wide by 50" long.

M645 Black (allover dolls): Cut (1) 36" x WOF strip. Cut (1) 16-1/2" x WOF strip, cross cut into (2) 16-1/2" squares.

644 Cream (tone-on-tone): Cut (6) 2-1/2" X WOF strips for binding.

QUILT FRONT:

Sew together: 10-1/2" x WOF **M645 Turquoise (allover dolls)**, 4-1/2" x WOF **644 Cream (tone-on-tone)**, and 36" x WOF **M645 Black (allover dolls)**. Trim width of panel to measure 41" wide x 50" long.

FINISHING THE QUILT:

Layer the finished quilt top with 41" x 50" batting and 41" x 50" **644 Cream (tone-on-tone)** backing. Quilt as desired. Use reserved **644 Cream (tone-on-tone)** strips to bind quilt.

ADDING POCKET:

Using 1/4" seam allowance, sew together (2) 16-1/2" squares, leaving a 4" opening on the bottom edge for turning. Clip corners, turn. Center the pocket on the backing side of the quilt. Topstitch in place 1/8" from sides and bottom of pocket, leaving top edge open.

FOLDING:

From the front, fold both sides of the quilt towards the center, overlapping until even with the sides of the pocket. Fold the bottom of the quilt up even with the bottom of the pocket. Fold the top of the quilt down to form a square. Flip the square over, reach into the pocket and grasp the bottom of the pocket and the folded square. Turn the pocket inside out so that the folded quilt is inside the pocket.
