Cancer Awareness Ribbons by Elizabeth's Studio LLC

407 White/Multi—fat quarter or 1/2 yard (front of pillow)

407 White/Pink—fat quarter or 1/2 yard (pillow back)

White ruffled eyelet trim—2-1/2" wide, 1-1/4 yards (optional)

Cotton batting—two 16" squares

Fiberfill for stuffing

CUTTING:

From each fabric, cut one 16" square.

ASSEMBLING PILLOW:

Layer one 16" square pillow front with one batting square. Quilt as desired (grid, wavy lines, meander, or try out a new pattern). Repeat with pillow back and batting square.

Enlarge heart pattern. Cut out one heart shape from quilted front fabric (seam allowance is included).

If using eyelet trim, baste to right side of pillow front, matching ends. Place pillow front onto pillow back, right sides together.

Sew 1/4 inch from edge, leaving 3" open along one long edge for turning. Trim edges even. Turn. Stuff with fiberfill. Slip stitch opening closed.
